early child care/pre-school staff!

## Classroom & Playground Sensory Integration for All Abilities

### *Classroom Tips:*

- Look at lighting, space, colors & activity & how small changes can make big differences
- Identify areas that may be distracting to sensory sensitive children

### *Making Playgrounds Fun for All*

- Learn the importance & value of recess
- Learn how to structure recess even if you aren't on the playground
- Getting the most out of playground equipment
