The Outdoor Classroom

Come and meet Brett and Matt as they share their adventures with The Nursery School.

The Nursery School, "Where Nature is our Classroom," is a Denver-based, all outdoor preschool that follows the Forest Kindergarten model of Europe. Their outdoor preschoolers learn by doing. They explore their environment, investigate the flora and fauna, work collaboratively with others, and develop the skills and knowledge they need to enter kindergarten.

Come and learn ways to enrich your outdoor classroom!

Arapahoe Community College Contacts

**Wednesday,
February 27th
6-8 pm**

**Mark your
calendars and
join us !!!!!**

North Building N1000

When you come to the North Building, enter through the Northeast or Northwest doors (by the Law Enforcement Academy). They will be unlocked so you should have no trouble entering.

Go down the hall (south) there is a set of double doors.

Save the date for our upcoming events:

Thursday, March 14, 2019
Alumni Showcase

Wednesday, April 17, 2019
Dr. Francis Wardle discussing his new book "Oh Boy!"

To build a community of peers where thoughts and ideas are shared around the Early Childhood Profession and, ultimately, learning occurs.
