

Please join us for a free training!

Early child care and pre-school staff working in Aurora or Arapahoe & Douglas counties welcome

TOPIC: Using Sign Language in the Early Childhood Classroom

Sign Language is a communication tool that can be used for pre-verbal children, children who use dual languages, or for children with special needs. This training will discuss:

- Benefits of using sign language with young children
- Strategies for choosing signs to use
- Where & when can sign language be used in the classroom
- Basic signs that will be most practical for your classroom

DATE: THURSDAY, APRIL 18, 2019

TIME: 6:15 PM - 8:15 PM

Presenters : Terry Campbell Caron & Reniece Jones
(formerly with Aurora Community College)

**Location: Developmental Pathways, Inverness Office,
325 Inverness Drive South, Englewood, CO**
