Are you taking or interested in taking virtual or online continuing education units to support the children in your classroom or child care home? The Douglas County Early Childhood Council would like to support you in your effort by reimbursing you for qualified coursework. Here are some examples of organizations that offer trainings that would qualify:

- NAEYC (National Association for the Education of Young Children)
- Zero to Three
- Kaplan
- Teaching Strategies (Creative Curriculum)
- Learning Without Tears
- CDA (Child Development Associate Credential)
- Pyramid Model

Please reach out with the training/s that you are taking - or are interested in taking and we will let you know next steps! We are here to help, do not hesitate to inquire about other trainings that are not on this list.
