PLEASE JOIN US FOR A FREE TRAINING FOR EARLY  
CHILD CARE TEACHERS/STAFF FROM AURORA AND  
ARAPAHOE & DOUGLAS COUNTIES!

## Autism 101- Practical Strategies for Classroom Success

This training will outline the following:

- What autism is, and is not
- Basic considerations for teaching autistic learners
- The role of behavior
- Practical strategies for increased success

**Prior to training, we will send a list of items to have on hand to practice with. These items are suggested and not required to be a part of the training.**
